Lingering Days

Lingering Days,
Days in time.
A silent gaze,
Not worth a dime.

Time goes by,
thoughts pass on.
People cry.
People wane.

Remembering Goals
thinking only good.
It comes in intervals,
our livelihood.

to understand
to stand, erect.
to lend your hand,
to help direct.

The Sand of time,
the time of your life
Let it have its taste of thyme,
The Tune of a fife. →
